

REDESIGNING OUR TOWN

The Town of Fort Myers Beach
Invites You to Participate in Another
Community Design Workshop

Join Your Neighbors in Evaluating and Improving our Comprehensive Plan

Tuesday, March 8, beginning at 5:45 P.M.
at Town Hall, 2523 Estero Boulevard

SCHEDULE:

- 5:45, join your neighbors for pizza and salad provided by the Town
 - 6:30, "Creating Memorable Places," a slide presentation by renowned town planner and urban designer Victor Dover summarizing achievements and pressing issues at Fort Myers Beach
 - 7:15, break into smaller groups for working sessions to discuss major planning issues facing the town
 - 9:00, briefly reconvene to share ideas from each group

SOME TOPICS FOR DISCUSSION:

- How can Estero Boulevard be improved for motorists, pedestrians, bicyclists, and trolleys?
 - Are the town's "buildback" rules for older buildings too lenient or too strict?
 - Is it in the town's best interest for existing motels to be converted to condos?

*Hosted by Fort Myers Beach
Town Council and Local Planning Agency*

*Organized by Dover, Kohl & Partners
and Spikowski Planning Associates
(planning and urban design consultants to the Town)*
